

Voting Procedure

1. If you have a concern, please send an email to cathedralcommunityfridge@gmail.com
2. The concern will be brought up in next scheduled spokes council meeting
3. The council will discuss possible solutions to the concern and determine factors that could be voted on, and draft up a possible vote.
4. The spoke will return to their team with the information and possible solutions to be voted on.
5. The team members will independently discuss the topic and bring up more solutions or concerns if they have any.
6. If more concerns are raised or more solutions proposed the spoke may request a hold on a vote until the points are addressed in the next spokes council meeting.

Repeating process from step 4.

7. If no additional concerns or solutions are raised, then each team will agree to ratify the vote.
8. A member of the social media team will draw up the vote in a 3rd party voting platform.

Note: all votes must be written concisely preferably with a yes/no or multiple choice format when applicable.

9. Each member votes on the topic
10. If the vote passes, each team must begin to implement the solution as soon as they are able.
11. If the vote fails then repeat process from step 2.
